## MEMBERSHIP REQUIRES ORGANIZATION OF FOUR NEW DISTRICTS

### COUNCIL FINANCE DRIVE TO CONTINUE WITH NEW CHAIRMAN

George M. Bard, Council president, has announced that Silas S. Cathcart, president of Illinois Tool Works, Inc., and the Council Finance Committee chairman, has assumed the responsibility for the 1965 finance campaign due to the transfer of Clark George, our general campaign chairman, to the New York CBS office.

In taking over the reins from Clark George, Cathcart will be responsible for the total 1965 Finance Drive.

The Districts' Scout Family campaigns have been highly successful with many districts already over the top in their Scout Family goals.

Although much of the campaign was concluded with the "door-to-door" effort, there is still a great deal of "mop-up" work to be done to reach our \$1,288,265 goal.

### NAVY TO HOST SCOUTS MAY 22 - 23

Glenview Naval Air Station extended an invitation to all Cub packs, Scout troops, and Explorer units to visit the station on May 22-23. On display will be various aircraft used by the military - some new craft will be on display for the first time. Scouts will be given "taxi rides" on the C-54's and the station fire engines. Other features include an Air Show and the world champion parachute jumpers. The base will be open from 8:30 a.m. to 4:30 p.m. This is an extension of Armed Forces Day celebrations.

### CODE NEEDED

Effective July 1, 1965, Boys' Life and Scouting Magazine mailings must include area ZIP code numbers. Be sure to include ZIP code number on all registrations for each subscriber.

Silas S. Cathcart

### DISTRICT RECOGNITION AFFAIRS SLATED FOR APRIL AND MAY

During April and May the twenty-five districts of the Chicago Area Council will hold Recognition Dinners. Locations and ticket sales information can be secured from district columns.

Council officers and board members are scheduled to attend, and will serve as installing officers for district leaders.

Highlighting the many presentations will be the awarding of the Recognition Certificates and leaders' tributes for units successfully completing Phase Three of the Achievement Program. Awards of Merit and numerous other recognitions will be awarded to outstanding Scouters at the district and unit level, for contributions made during the past year.

It is estimated that an aggregate total of some 5,000 persons will be in attendance at the twenty-five recognition-installation programs.

### SEA SCOUT INSPECTION AND BALL SLATED FOR MAY 8 AT ARMORY

Council Commodore Edward B. Stein announced that the annual Inspection and Ball will be held on Saturday, May 8, 1965, at the Naval Armory. Activity officer Adolph J. Callner is busily making the arrangements for the event.

The four squadron commodores, appointed by Council Commodore Stein, and their staffs will help conduct the inspection along with a selected group of military personnel. Preceding the inspection,

Edward B. Stein

there will be a dinner in the Wardroom at the Armory for Skippers and squadron and Council officers. A number of Senior Girl Scouts have been invited to attend the inspection and take part in the dancing which follows.

### EXECUTIVE BOARD TO CONSIDER PROPOSED DISTRICT REALIGNMENT OF THUNDERBIRD, INDIAN BOUNDARY, GREATER ROSELAND AND FOREST ON APRIL 15.

Shown here at a dinner to recruit professional staff for the Chicago Area Council's expanding membership are: (left to right) Frank W. Braden, Regional Executive, Randall W. Violette, professional staff candidate, and Delmer H. Wilson, National Director of Personnel.

The Chicago Area Council will have twenty-nine districts by June as a result of a realignment proposal to be presented to the Executive Board at its April 15 meeting.

Districts to be realigned are Thunderbird, Indian Boundary, Greater Roseland and Forest, it was announced by George M. Bard, Council president.

Each district involved will suggest new boundaries and district names. In each case a single nominating committee is now at work picking two slates of officers.

Action of the Executive Board in February approving immediate employment of 12 new professional men for the field staff made possible the realignment.

A recruiting effort concluded

successfully March 8 with a dinner at the Council Service Center attended by 47 prospective members of the Scouting profession.

Staff men assigned as district executives to the newly created districts in the alignment are Wayne C. Shannon, Elbert W. Aspinall, James W. Jonen, and Francis Orlaski.

New men added to date to the staff as assistant district executives are: Kimmie P. Davis, Fort Dearborn; Robert Vest, Midwest; Robert Hill, Jr., Lincoln Park; Randall W. Violette, Thunderbird; Edwin Davis Butler, Indian Boundary; Norbert G. Wegzyn, Thunderbird; Herbert Wright, South Central; Leslie Boyer, Tri-Ridge; George Warta, Jr., Southwest; Robert Fowler, Southtown.

### BOYS' LIFE IDEAL FOR CUB SCOUTS

Too often, adult Scouters feel that Boys' Life is for Boy Scouts only. This couldn't be farther from the truth. Each issue of Boys' Life devotes considerable space to the Cub Scout program and reading material.

In a recent issue, 29 articles were directed at Cub-age boys. Boys' Life is not "too old" for Cubs. Cub Scouts will have little trouble reading the articles written for them; where they do, parents can help them; this isn't in violation of Cub philosophy.

### BE SURE TO COME TO THE 1965 SPRING CAMPOREE

Unit leaders should carefully check their district column in the COUNCILER for information on the spring camporee.

A Unit Leader's Guidebook will be provided for those districts conducting spring camporees. It will give instruction on preparation and program content. This will enable troops to practice the various events prior to the camporee.

An attractive camporee patch will be made available to those Scouts and leaders who participate.

## ONLY A FEW CAMP SITES AVAILABLE AT OWASIPPE

Registration of 386 Scout troops with 4,771 individual fees paid to date for the 1965 season at Owasppe has established a new record for the Chicago Area Council. Last year this registration "mark" was not reached until the end of June. Camping Chairman W. R. Blew has repeated his conviction that each troop that applies will be provided space. However, the selections of camp sites and periods are limited. Camp Beard and Camp Stuart are completely "sold out." As of March 12, camp sites are available as follows:

Period 1 13	Period 2 3	Period 3 4	Period 4 2
Period 5 5	Period 6 12	Period 7 11	Period 8 22

Hearty congratulations to all that have contributed to this effort.

### FAMILY CAMP

Reservations for the Scouter Family Camp are approaching capacity. As of March 12, cabins are available for the periods as follows:

Period 1 13	Period 2 4	Period 3 0	Period 4 6
Period 5 0	Period 6 9	Period 7 16	Period 8 23

Don't forget to reserve a cabin for your family while you are attending camp with your troop next summer at Owasppe. Put them in this picture.

Hiawatha Beach camp site is available for periods 3 and 4. The troop with aquatics trained leaders should take the advantage of this opportunity.

At the time of registration, the \$20 camp site reservation fee is required. However, the payment of only \$5 for each Scout planning to attend will hold the site. This applies to all camps.

Members of the Subcommittee on Camp Promotion under the leadership of Jere R. Lustig and members of the Owasppe Lodge, Order of the Arrow, stand ready to provide information and help at Scouter Roundtables and at troop Family Night programs. The following districts have met or surpassed their goal of troops registered for camp:

Lincoln Park	Frontier	Arrowhead	Indian Boundary	Austin
Forest	Stockyard			

### PROVISIONAL CAMPING

The Council will provide provisional camp leadership at \$24 per week plus \$9 for transportation for up to 140 Scouts during each of periods 1, 2, 7, and 8. Parents should be advised that arrangements should be made through the troop camping chairman or the Scoutmaster, using the same procedure as registering a troop for camp. Camping with provisional leadership is for those Scouts whose family or summer school plans prevent the Scout from attending with his own troop.

### GREEN BAR CAMP

Applications will be included in the troop leader's information brochure. The cost is a low \$25. Junior leaders should attend the week preceding the attendance by the troop. The opening date is June 26, and the closing date is August 14.

### MERRIAM EXPLORER BASE

Registrations are already coming in for the Aquatic and Conservation Camps to be held at the Merriam Explorer Base during the month of August 1965.

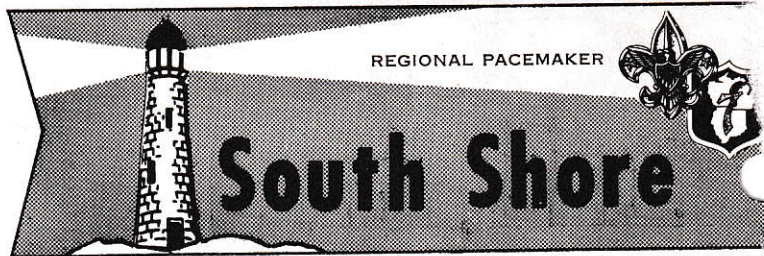

The schedule will be as follows:

1st period . . .	August 1-7 . . .	Aquatic Camp

Award of Merit Committee: Arthur R. Ray, chairman, Theodore Moran, John T. Harris.

### GIVE A BOY A CHANCE REGISTER THEM

Our membership has been falling off since December and this means that we are serving fewer boys at this time. Several units have already begun to do something about this by registering all available boys in their units.

There are hundreds of boys in the Washington Park District who want to be Scouts but are not because no one has asked them. If a Scout in your unit would simply say to one of his friends, "Come with me to the Scout meeting tonight", he would open a door to unforgettable adven-

tures and enjoyment that would last a lifetime.

Give a boy a chance; help these boys become Scouts. Don't let them down.

### SUMMER CAMP

Scouts from four of our troops are signed up for fun and adventure at Owasippe Scout Camp. The troops and Scoutmasters are:

553, Art R. Phillips, Jr.

There is still time for other troops to sign up for camp.

A filmstrip and presentation for a parents night can be arranged by contacting John T. Harris, Camping Chairman, at LI 8-0961 or NE 2-2860.

Lawrence C. Woods, Washington Park Finance Campaign Chairman and administrative assistant to Congressman William Dawson, reports that over \$6,000 has been raised in the 1965 finance campaign.

Assisting him are:

Dr. T. K. Lawless, internationally famous dermatologist; Theodore Moran, Scout Family chairman; Bertel Daigre, Special Chairman; Francis W. Washington, One-Day chairman; L. R. Booker, Audit Chairman.

Pictured above, Joe Wells, Secretary of Peoples Gas Company, receives the report from Washington Park District.

## ALONG THE SCOUTING TRAIL

by  
Alden G. Barber

It's easy in a council as large as ours to mistake size for success. We must not fall into this trap.

For instance, we could be satisfied that we will have nearly 8,000 boys camping at Owasppe this summer - a 25% gain.

We are impressed when twice a year 100 boys receive the Eagle rank.

But I am concerned about the camping opportunities of the other 17,000 Scouts, and what about the 200 troops that did not produce an Eagle Scout in the past 12 months?

These are the boys and units that should be the focal point of our concern at the same time that we take pride in our progress.

When we rejoice at the turnout at Roundtables, activities and meetings, let's ask, "How many units are not represented and who will carry the message to them next week?"
